Address: 19 Claremont Avenue, Leeds, West Yorkshire, LS3 1AT

Professional Summary

MSc Human Resources Management student at York St John University with a BSc in Human Resources Management and practical experience across business management, customer service, hospitality, and sales. Strong communication, organisational, and problem-solving skills developed through managing business operations, supporting customers, conducting academic research, and working in fast-paced environments. Demonstrated leadership, commercial awareness, and adaptability, with a proven ability to build relationships, manage competing priorities, and contribute effectively both independently and within teams. Seeking a graduate opportunity to apply analytical, interpersonal, and organisational skills while supporting organisational success and professional growth.
